(b) Proposal to extend the Term of the warrant granted to Dirk van Daele

The Chairperson informs the meeting that Mr Van Daele entered into a business consultancy agreement with Fyber N.V. (formerly RNTS Media N.V.) on 14 July 2014, in addition to his role as chairman. Pursuant to the agreement, Mr Van Daele has provided to Fyber N.V., on a non-exclusive and limited basis: business contacts, suggestions and potential transactions. In consideration, Fyber N.V. granted Mr Van Daele a warrant to acquire an aggregate of 2,000,000 shares in the Company. The consultancy agreement has now ended.

This warrant is exercisable in whole or in part, at any time, between 14 July 2015 to 14 July 2018 (the "Term"). The initial exercise price of the warrant is equal to EUR 3. Dirk van Daele must exercise the warrant for a minimum of 1,000,000 shares at a time.

In accordance with the proposal of the Supervisory Board, which was approved by the Remuneration Committee, it is proposed to the General Meeting to extend the warrant on the same terms and (i) grant Dirk van Daele the right to subscribe for up to 2,000,000 shares in the capital of the Company at a price of EUR 3 per share. The right can be exercised until 14 July 2020 and is otherwise subject to the terms and conditions included in the warrant agreement entered into between Dirk van Daele and the company on 14 July 2014 and (ii) to the extent necessary exclude all pre-emptive rights associated with this grant of a right to subscribe for shares.

The Chairperson notes that 49,719,095 votes were cast against the proposal and that there were no abstentions so that it has not been adopted.

As a result of the proposal being rejected, the warrant will expire on the 14th of July 2018. The Company and its advisers will seek confirmation on the view of the Chairman that he will be independent in the meaning of the Dutch corporate governance code as of the expiration of the warrant.

The number of shares to be issued shall be limited to a maximum of 30% of the entire issued capital of the Company on a fully diluted basis. The term “issued capital” means the issued capital (on a fully diluted basis) as of 29 May 2018. Resolutions by the Management Board to issue shares or to grant rights to subscribe for shares are subject to the approval of the Supervisory Board.

With respect to the issuance of any shares that are issued under this authorization to participants of the Company’s equity award programs, provided that such shares are issued on the terms of such programs and that these equity award programs have been approved by the General Meeting, the Management Board, with the approval of the Supervisory Board, may also determine that the shares concerned will, in whole or in part, be issued and paid-up at the expense of the Company’s freely distributable reserves.

The authority of the Management Board to resolve to restrict or to exclude the pre-emptive rights upon the issuance of shares will be restricted to 30% of the entire issued capital of the Company on a fully diluted basis. The term “issued capital” means the issued capital (on a fully diluted basis) as of 29 May 2018. Resolutions by the Management Board to restrict or exclude the pre-emptive rights are subject to the approval of the Supervisory Board.

In accordance with the aforementioned provision, it is proposed that the Supervisory Board administers the grant of stock options to members of the Management Board pursuant to the stock option plan.

In accordance with articles 6.2 and 6.3 of the articles of association of the Company, the Management Board, with the approval of the Supervisory Board, therefore proposes to the General Meeting to designate the Supervisory Board as the company body competent to grant rights to subscribe for shares to members of the Management Board who are eligible to participate in the stock option plan, and to restrict or exclude related pre-emptive rights, which designation will be for a period of five (5) years, starting 29 May 2018 and ending 29 May 2023 (the existing designation on this matter – as granted by the General Meeting on 26 September 2017 – will expire upon the adoption of this resolution).

The number of options to be granted shall be limited to the maximums referred to in the stock option plan.

The Supervisory Board will not use its authority to grant rights to subscribe for shares pursuant to the stock option plan and to restrict or exclude related pre-emptive rights other than to grant options to members of the Management Board.
