- (d) at least one Supervisory Board member shall have competence in accounting and auditing;⁷
- (e) its members are able to act critically and independently of one another, the Management Board and any particular interests involved; in order to safeguard this the Supervisory Board is composed so that:⁸

2. (RE)APPOINTMENT; TERM OF OFFICE; RESIGNATION

- 2.1 The members of the Supervisory Board are appointed by the General Meeting of Shareholders.
- 2.2 The Supervisory Board nominates one or more candidates for appointment, taking into account the diversity policy adopted by the Supervisory Board with regard to its composition¹⁰. Any nomination or recommendation by the Supervisory Board for appointment or reappointment of a Supervisory Board member must be in accordance with Clause 1, including the Supervisory Board Profile. On reappointment, account must be taken of the candidate's past performance as a Supervisory Board member.¹¹

The Supervisory Board may at any time amend the rotation plan. Amendments to the rotation plan, however, do not permit a sitting member of the Supervisory Board to remain in office for a longer period than appointed for, or allow that he be asked to retire before his term has expired.¹⁶
- 2.7 The Supervisory Board shall ensure that the Company has a sound plan in place for the succession of Supervisory Board members that is aimed at retaining the balance in the requisite expertise, experience, diversity and independence. Due regard must be given to the Supervisory Board Profile in drawing up that plan.¹⁷

- 13.1 The Supervisory Board shall meet as often as deemed necessary for the proper functioning of the Supervisory Board. The Supervisory Board shall meet at least four times a year. Meetings shall be scheduled annually as much as possible in advance. The Supervisory Board shall also meet earlier than scheduled if this is deemed necessary by the Chairman, two other members of the Supervisory Board, or the Management Board.
- 13.2 Meetings of the Supervisory Board are in principle called by the Chairman. Save in urgent cases to be determined by the Chairman the agenda for a meeting shall be sent to all Supervisory Board members at least seven calendar days before the meeting. For each item on the agenda an explanation in writing shall be provided, where possible, and/or other related documentation will be attached. The Chairman shall in principle consult on the content of the agenda with the CEO prior to convening the meeting.
- 13.3 Each Supervisory Board member, the CEO, and the Management Board collectively, has the right to request that an item be placed on the agenda for a Supervisory Board meeting.
- 13.4 Supervisory Board meetings are generally held at the offices of the Company, but may also take place elsewhere. In addition, meetings of the Supervisory Board may be held by conference call, video conference or by any other means of communication, provided all participants can communicate with each other simultaneously.

14. ATTENDANCE OF AND ADMITTANCE TO MEETINGS

- 14.1 The CEO and CFO shall be requested to attend as many of the Supervisory Board meetings as possible, to the extent the Supervisory Board does not indicate that it wishes to meet in the absence of the CEO and CFO. If requested, other Management Board members also attend meetings of the Supervisory Board.
- 14.2 A Supervisory Board member may be represented at Supervisory Board meetings by another Supervisory Board member holding a proxy in writing. The existence of such authorisation must be proved satisfactorily to the chairman of the meeting.

⁸⁷ Dutch Corporate Governance Code, best practice provision 4.1.10.

⁸⁸ See Section 5:25m paragraph 3 and 4 Wft.

14.3 If a Supervisory Board member is frequently absent from Supervisory Board meetings he shall be held to account on this by the Chairman.⁸⁹

14.4 The admittance to the meeting of persons other than Supervisory Board members, and – if invited – members of the Management Board shall be decided by majority vote of the Supervisory Board members present at the meeting.

15. CHAIRMAN OF THE MEETING; REPORTS

15.1 Supervisory Board meetings are presided over by the Chairman or, in his absence, the Vice-Chairman. If both are absent, one of the other Supervisory Board members, designated by a majority of votes cast by the Supervisory Board members present at the meeting, shall preside.

In the event of a tie, the Chairman has the deciding vote if more than two Supervisory Board members are present or represented. At a meeting, the Supervisory Board may only pass resolutions if the majority of the Supervisory Board members then in office are present or represented.

16.4 In general, resolutions of the Supervisory Board are adopted at a Supervisory Board meeting.

16.5 Supervisory Board resolutions may also be adopted in writing, provided the proposal concerned is submitted to all Supervisory Board members then in office and none of them objects to this form of adoption. Adoption of resolutions in writing shall be effected by statements in writing, which can also be issued through a proxy, from all the Supervisory Board members. A statement from a Supervisory Board member who wishes to abstain from voting on a particular resolution which is adopted in writing must reflect the fact that he does not object to this form of adoption.

16.6 The Supervisory Board may deviate from the provisions of Clauses 16.3 (last sentence), 16.4 and 16.5 if this is deemed necessary by the Chairman, considering the urgent nature and other circumstances of the case, provided that all Supervisory Board members are allowed the opportunity to participate in the decision-making process. The Chairman shall then prepare a report on a resolution so adopted, which shall be added to the documents for the next meeting of the Supervisory Board.

ANNEX 6

EXTERNAL AUDITOR INDEPENDENCE POLICY

The policy set out below was adopted by the Supervisory Board on 6 December 2017, on a proposal of the Audit Committee and after consultation with the Management Board.

1. Policy

The Company and its Subsidiaries use the services of the External Auditor to the extent this does not prejudice the independence of the External Auditor.

2. Terms of Reference

The External Auditor must be independent within the meaning of EU Regulation 537/2014 on specific requirements regarding statutory audit of public-interest entities, the Act supervision audit firms (*Wet toezicht accountantsorganisaties* (Wta)) and the Regulation on the independence of auditors with respect to assurance assignment (*Verordening inzake de onafhankelijkheid van accountants bij assurance-opdrachten* (ViO)) of the Royal Dutch Professional Organisation of Auditors (*Koninklijk Nederlandse Beroepsorganisatie van Accountants*).

The Audit Committee sees to it that the external auditor complies with the relevant recommendations, provisions and statutory provisions, and may request more detailed explanations and written confirmations from the external auditor that these provisions are followed.

3. Audit Services

In addition to complying with section 5 paragraph 1 of the EU Regulation, the firm of the External Auditor that conducts the statutory audit of a public-interest entity shall not render any other services to this entity in addition to the audit services.¹²⁶

The External Auditor or any other member of the network to which the external auditor or its firm belongs, may directly or indirectly only render auditing services to the Company and the enterprises its controls during:

- (a) the period between the beginning of the period audited and the issuing of the audit report; and
- (b) the financial year immediately preceding the period referred to in point (a) in relation to non-audit services.¹²⁷

Audit services is the audit of the annual financial reports of the Company, the assessment of interim financial reports that are disclosed, services that are traditionally provided by the external auditor and that are related to filings and obligations under legislation or regulations, and services that only the external auditor as such can reasonably provide.

The External Auditor does not need to go through a tender process for each individual engagement.

4. Rotation of the External Auditor and Partners responsible for Audit Services

In order to prevent that the External Auditor and the Company become too close, the number of years a firm of an external auditor may be engaged and a certain person may be part of the audit team of the External Auditor, is capped.

¹²⁶ Section 24b par 2 Act supervision audit firms (*Wet toezicht accountantsorganisaties* (Wta)). This provision also applies to other parts of a network of which the external auditor's firm is a part of, as set out in more detail in Section 24b par 2 Wta.

¹²⁷ Section 5 EU Regulation 537/2014.

The External Auditor charged with the statutory audit must be replaced after a maximum period of ten years after the start of their involvement. The External Auditor is not allowed to work on a new assignment for the Company until at least four years have expired from the date of its replacement.¹²⁸

Partners in the audit team of the External Auditor who are charged with essential audit tasks must be replaced after a maximum period of five years after the start of their involvement.¹²⁹

The Audit Committee shall also supervise the risks of dependency of other members of the audit team of the External Auditor who are involved with the audit for a significant period. The Audit Committee shall consult the responsible partner of the External Auditor regularly on safeguards set up by the External Auditor to assess the risk of dependency and to reduce it to an acceptable minimum level.

5. Appointment of the External Auditor

The External Auditor shall be appointed in accordance with Clause 10 of these By-Laws. If the decision is taken to call in the services of another External Auditor, the tender process approved by the Audit Committee shall be followed.

6. Staff transfer restrictions

The Company and the External Auditor shall agree on a policy regarding the restriction of staff transfers from the Company and its group to the organisation of the External Auditor and vice versa, taking into account all relevant legislation and regulations.¹³⁰ This policy is subject to the approval of the Supervisory Board.

¹²⁸ Section 17 EU Regulation 537/2014.

¹²⁹ Section 24 Wta.

¹³⁰ Like art. 42 of the Regulation on the independence of auditors with respect to assurance assignment (*Verordening inzake de onafhankelijkheid van accountants bij assurance-opdrachten* (ViO)) of the Royal Dutch Professional Organisation of Auditors (*Koninklijk Nederlandse Beroepsorganisatie van Accountants*)
