###

About Fyber

Fyber is a leading advertising technology company, developing a next generation platform for the programmatic trading of ads, in a data-driven environment. Our mission is to fuel the creation of quality content by empowering digital publishers and app developers to unlock the true value of their advertising properties through advanced technologies, innovative ad formats and data-driven decision-making. Fyber's technology platform provides an open-access platform for both digital advertisers and publishers, enabling cross-device advertising with a global reach of more than 1.2 billion unique monthly users. Fyber has offices in Berlin, Tel Aviv, New York, San Francisco, London and Beijing. The Company employs more than 300 people globally and is listed on the Prime Standard of Frankfurt Stock Exchange under the symbol 'FBEN' and the ISIN NL0012377394.
