

Today RNTS Media announces it is in advanced negotiations to acquire SponsorPay, www.sponsorpay.com, a company based in Berlin and San Francisco, in a cash-and-stock transaction. Key terms and the present disclosure have been agreed between the parties but the transaction remains subject to confirmatory due diligence and the required RNTS board and shareholder approvals.

SponsorPay is a global leader in Internet based monetization solutions for its B2B clients and will prove to be a critical part of the value creation of our offer to our clients involved in digital content, whether online or via mobile platforms. To have a first class open and monetization platform like SponsorPay integrated into the RNTS Media product offering will enhance our global sales effort whether in gaming, trimedia or edutainment.
