Background

Following a voluntary early conversion of €74.2 million Bonds into shares in 2019, management has taken the decision to address the refinancing of the outstanding Bonds ahead of maturity.

The Issuer therefore proposes to the bondholders to resolve on a prolongation of the maturity date of two years to 27 July 2022 and significantly improve the attractiveness of an early conversion by lowering the conversion price to the exchange price used in the recently concluded debt-to-equity exchange, i.e. € 0.30.

The proposed changes would enable the Issuer to further enhance the Company's balance sheet and uphold its product and go-to-market strategy, as opposed to scaling down the global cost base and with that the business and revenue growth. The Issuer's management deems this to be in the best interest of all involved stakeholders - the bondholders, the shareholders, the business partners and employees.

The attention of Bondholders is particularly drawn to the quorum required for the Meeting and for an adjourned Meeting which is set out under **Voting and Quorum** below.

Copies of the Agency Agreement (including the Terms and Conditions of the Bonds) and the draft amendment and restatement agreement referred to in the Extraordinary Resolution set out above will be available for inspection by Bondholders at the specified offices of the Paying Agents set out below.

In accordance with normal practice, the Agent expresses no opinion as to the merits of the proposed modifications as presented to the Bondholders referred to above (which it was not involved in negotiating). The Agent has not been involved in formulating the proposed modifications and makes no representation that all relevant information has been disclosed to Bondholders in this Notice. Accordingly, the Agent urges Bondholders who are in any doubt as to the impact of the implementation of the proposed modifications to seek their own independent financial advice.

Finally, Bondholders are advised that in accordance with paragraph 7 (*Notices*) of the global bond relating to the Bonds, for so long as all of the Bonds are represented by a permanent global bond and such global bond is held on behalf of Euroclear and/or Clearstream, notices to Bondholders may be given by delivery of the relevant notice to Euroclear and/or Clearstream (as the case may be) for communication to the relative accountholders rather than by publication as required by Condition 14 (*Notices*). Any such notice shall be deemed to have been given to the Bondholders on the second day after the day on which such notice is delivered to Euroclear and/or Clearstream (as the case may be as aforesaid) and not on the seventh day after the day on which such notice is delivered to Euroclear and/or Clearstream (as the case may be as aforesaid) as is currently set out in the italic language under Condition 14 (*Notices*). For the avoidance of doubt, such italic language does not form part of the Terms and Conditions of the Bonds and

therefore paragraph 7 of the permanent global bond prevails and therefore this clarification does not require Bondholder consent.

VOTING AND QUORUM

1. The provisions governing the convening and holding of a Meeting are set out in Schedule 6 to the Agency Agreement, a copy of which is available for inspection by the Bondholders during normal business hours at the specified office of the Paying Agent(s) set out below.

All of the Bonds are represented by a global Bond held by a common depositary for Clearstream Banking, société anonyme (**Clearstream, Luxembourg**) and/or Euroclear Bank S.A./N.V. as operator of the Euroclear System (**Euroclear**). For the purposes of the Meeting, a **Bondholder** shall mean each person who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular principal amount of the Bonds.

A Bondholder wishing to attend the Meeting in person must produce at the Meeting a valid voting certificate issued by a Paying Agent relating to the Bond(s) in respect of which he wishes to vote.

A Bondholder not wishing to attend and vote at the Meeting in person may either deliver his valid voting certificate(s) to the person whom he wishes to attend on his behalf or give a voting instruction (by giving his voting instructions to Clearstream, Luxembourg and/or Euroclear or on a voting instruction form obtainable from the specified offices of any of the Paying Agents set out below) instructing a Paying Agent to appoint a proxy to attend and vote at the Meeting in accordance with his instructions.

A Bondholder must request the relevant clearing system to block the Bonds in his own account and to hold the same to the order or under the control of a Paying Agent not later than 24 hours before the time appointed for holding the Meeting in order to obtain voting certificates or give voting instructions in respect of the relative Meeting. Bonds so blocked will not be released until the earlier of:

- (a) the conclusion of the Meeting (or, if applicable, any adjournment of such Meeting); and
 - (b) in respect of (a) voting certificate(s), the surrender to a Paying Agent of such voting certificate(s) and notification by the relevant Paying Agent to the relevant clearing system of such surrender or the compliance in such other manner with the rules of the relevant clearing system; or
- (ii) in respect of voting instructions, not less than 24 hours before the time for which the Meeting (or, if applicable, any adjournment of such Meeting) is convened, the notification in writing of any revocation of a Bondholder's previous instructions to the Paying Agent and the same then being notified in writing by the Paying Agent to the Issuer at least 24 hours before the time appointed for holding the Meeting and such Bonds ceasing in accordance with the procedures of the relevant clearing system and with the agreement of such Paying Agent to be held to its order or under its control. For the avoidance of doubt, the 24 hours deadline before the Meeting ends on **26 August 2019 at 2:30 pm CEST**.
2. The quorum required at the Meeting is one or more persons present holding voting certificates or being proxies and representing not less than 75% of the principal amount of the Bonds for the time being outstanding. If a quorum is not present at the Meeting, the Meeting will be adjourned and the Extraordinary Resolution will be considered at an adjourned Meeting (notice of which will be given to

the Bondholders). The quorum at such an adjourned Meeting will be one or more persons present holding voting certificates or being proxies and representing in the aggregate not less than one third of the principal amount of the Bonds for the time being outstanding.

3. Every question submitted to the Meeting will be decided on a show of hands unless a poll is duly demanded by the Chairman of the Meeting or by the Issuer or by any Eligible Person. On a show of hands every Eligible Person shall have one vote. On a poll every person who is so present shall have one vote in respect of each EUR 100,000 in principal amount of the Bonds so represented by the voting certificate so produced or in respect of which he is a proxy.
4. To be passed, the Extraordinary Resolution requires a majority in favour consisting of not less than 75 per cent. of the votes cast. If passed, the Extraordinary Resolution will be binding upon all the Bondholders, whether or not present at such Meeting and whether or not voting.
